DIN RAIL KITS

DIN Rail Kits provide a convenient method to facilitate the mounting of NK Technologies’ products that can be DIN rail mounted. The kits can also be used to mount other products to a panel as needed.

DIN Rail Kit Features

DIN Rail Kit
- Includes two end stops and a bichromated galvanized steel rail.
- High mechanical strength and corrosion resistance.
- Slotted design allows for attachment to most suitable surfaces.
- Rail can be cut in field to desired length.

DIN-2 Adapter Kit
- Includes two plastic brackets and attachment screw to mount the sensor to the rail.
- Compatible with “top hat” or “G” type rail.

*Top Hat” type rail.

“G” type rail.
